Subject: Division/Branch Meeting Notes

I filled in for Katrina today. Here are notes from today's Division and Branch meetings.

1) Gold King Mine

- Carl has been deployed to New Mexico
- Pam indicated that there is a litigation hold
- Pam sent out the correct code to use for time charging if you are working on the mine

2) Feds Feeds Families

- Region 6 is ahead of other regions
- Management Division is ahead of other Divisions

3) GIS Contract starts September 1, 2015

4) The Remedial Branch anticipates getting two new RPMS
